

IWBKA AGM

AGM Resolutions (deadline: November 6)

Members should be advised in advance to put forward any resolutions they wish to have considered at the meeting, by no later than Thursday 6 November.

- **Membership Fee Levy Proposal:** A resolution carried forward from the 2024 AGM, proposed by Richard Adams, concerns the introduction of a levy on membership fees to be donated to Asian Hornet Action Team. The voluntary donation on the 2025 membership raised £140 for the AHAT. The Committee therefore concluded that a voluntary donation scheme would yield more contributions, given the relatively small size of the membership, than a statutory levy.

Officer Elections and Vacancies (deadline: November 6)

All officer posts, except for President, are subject to annual election at the AGM. Chloe Underwood will be standing down as Programme Manager, and a proposal for this position is required.

All other officers have indicated their willingness to stand again, but proposals, duly seconded, are invited for any post. In addition, Kim Hughes has completed her three-year term as a Committee Member, so a replacement will also be needed for this vacancy.

Each resolution and/or suggestion for Committee elections must be proposed and seconded before submission (secretariat@iwbka.org.uk), to be discussed at the AGM.
